CLAIM INFORMATION

Notice of Claim. Notice of claim should be sent to Unum within 90 days after the date of the accident for which a benefit is claimed or the date of **Covered Loss** for which a benefit is claimed, or as soon as is reasonably possible. If notice is not reasonably possible to provide within 90 days, it must be given no later than one year after the time notice of claim is required. These time limits will not apply during any time period **You** or **Your** authorized representative lacks the legal capacity to give Unum notice of claim. Notice should be sent to Unum at **Our** home office. If you submit a claim before notification of Unum's decision on any coverage amount requiring **Evidence of Insurability**, the amount of coverage applicable to the claim will be determined as if Unum's final underwriting decision had been made prior to the date of the accident or date of covered loss.

Claim Forms. When Unum receives a notice of claim, claim forms will be sent for filing proof of claim within 15 days. If claim forms are not sent within 15 days, the proof of claim requirements will be met if **We** receive a written statement of the nature and extent of the loss as required in the proof of claim section. Claim forms are also available from your employer.

Proof of Claim. Proof of claim must include documentation furnished by a **Physician** and supported by clinical, radiological, histological, pathological, and/or laboratory evidence. It may also include one or more of the following: a physician's bill, a **Hospital** bill, or other proof of charges.

If it is not reasonably possible to give proof of claim within 90 days after the date of the accident for which a benefit is claimed or date of covered loss for which a benefit is claimed, it must be given no later than one year after the time proof of claim is required. These time limits will not apply during any time period the **Insured** or the insured's authorized representative lacks the legal capacity to give Unum proof of claim.

Time of Payment of Claims. After Unum receives, evaluates and processes proof of claim, Unum will pay any benefits due.

Payment of Claims. Benefits will be paid to you unless such benefits have been assigned. If you are not competent, Unum can pay up to \$2,000 to the person or institution that appears to have assumed your custody and main support. Any accrued benefits unpaid at your death will be paid to the named beneficiary, if any, otherwise to your estate. Unum will be discharged to the extent of any such payment made in good faith.

Overpayments. Unum has the right to recover any overpayments due to:

- fraud; and
- any error we make in processing a claim.

You must reimburse **Us** in full. We will determine the method by which the repayment is to be made.

Unum will not recover more money than the amount we paid you.

Unpaid Premium. Any unpaid premium due for your coverage under this policy may be recovered by us by offsetting against amounts otherwise payable to you, your

beneficiary, or your legal representative(s) under this policy, or by other legally permitted means.

Assignment. The rights provided to you by the policy are owned by you, unless you assign your rights under the policy to an assignee.

We will recognize an assignee as the owner of the rights assigned only if:

- the assignment is in writing, signed by you, and acceptable to us in form; and
- a signed or certified copy of the written assignment has been received and registered by us at our home office.

We will not be responsible for the legal, tax or other effects of any assignment, or for any action taken under the policy provisions before receiving and registering an assignment.

Physical Examinations and Autopsy. We can require that the insured be examined by a physician of our choice at our expense as often as it is reasonably necessary while a claim is pending. In case of death, Unum will have the right and opportunity to request an autopsy where not forbidden by law.

Legal Actions. You or your authorized representative can start legal action regarding your claim 60 days after proof of claim has been given and up to 3 years from the time proof of claim was first required to have been given; or your claim was denied; or your benefits were terminated, unless otherwise provided under federal law.

Spouse

If you are covered under this policy, your **Spouse** is eligible for coverage on the later of:

- the date your coverage begins; or
- the date you first acquire a spouse.

Coverage shall begin from the moment of birth if the petition for adoption and application for coverage is filled within 60 days after the birth.

Employer Changes to the Policy

Once your coverage begins and you are in active employment or on a covered layoff or leave of absence, any coverage changes made by your employer, consistent with the options you select, will take effect on the date agreed upon by Unum and your employer.

If you are not in active employment due to injury or sickness, any coverage changes requested by your employer will begin on the date you return to active employment.

Coverage changes will not affect a **Payable Claim** that occurs prior to the effective date of the change.

However, if you are absent from work due to injury, sickness, temporary layoff or leave of absence on the date your change in coverage would normally begin, changes in coverage that you make will begin on the date you return to active employment.

Changes in coverage will not affect a payable claim that occurs prior to the effective date of the change.

Unum will provide coverage for a payable claim which occurs while your dependent child(ren) is covered under the policy.

Continuing Coverage while Employee is on Family and Medical Leave of Absence. Unum will continue coverage in accordance with your Employer's Human Resource policy on family and medical leaves of absence if premium payments continue and your employer approved your leave in writing.

Coverage will be continued until the end of the latest of the leave period:

- required by the Federal Family and Medical Leave Act of 1993 and any amendments;
- required by applicable state law; or
- provided to you for an injury or sickness.

If your Employer's Human Resource policy does not provide for continuation of your coverage during a family and medical leave of absence, your coverage will be reinstated when you return to active employment.

Unum will not:

- apply a new waiting period; or
- require evidence of insurability.

Insurance Fraud. Unum wants to ensure you and your employer do not incur additional insurance costs as a result of the undermining effects of insurance fraud. Unum promises to focus on all means necessary to support fraud detection, investigation, and prosecution.

It is a crime if you knowingly, and with intent to injure, defraud or deceive Unum, or provide any information, including filing a claim that contains any false, incomplete or misleading information. These actions, as well as submission of materially false information, will result in denial of your claim, and are subject to prosecution and punishment to the full extent under state and/or federal law. Unum will pursue all appropriate legal remedies in the event of insurance fraud.

Contestability of Statements in Application or Evidence of Insurability. Unum considers any statements you make in a signed application or evidence of insurability form, or that your employer makes in the application process, a representation and not

a warranty. If any of the statements you or your employer make are not complete and/or not true at the time they are made, we can:

- reduce or deny any claim; or
- cancel your coverage from the original effective date.

As a basis for doing this, we will use only statements made by the employer in the application process or statements made by you in a signed application or evidence of insurability form.

Except in the case of fraud, Unum can take action only in the first 2 years any insured's coverage is in force.

If the employer gives Unum information about you that is incorrect, Unum will:

- use the facts to decide whether you have coverage under the policy and in what amounts; and
- make a fair adjustment of the premium.

Employer as Agent. For purposes of this policy, the employer acts on its own behalf or as the employee's agent. Under no circumstances will the employer be deemed the agent of Unum.

Communicating with You or Your Employer. Unum may provide notices, information and other communications to you or your employer in written, or electronic or telephonic form.

Workers Compensation or State Disability Insurance. This policy does not replace or affect the requirements for coverage by any workers' compensation or state disability insurance.

Cancellation or Modification of this Policy. This **Policyholder** provision applies to your coverage. This policy can be cancelled by:

- Unum; or
- the Policyholder.

Unum may cancel or modify this policy if:

- the Policyholder does not promptly provide Unum with information that is reasonably required;
- the Policyholder fails to perform any of its obligations that relate to this policy;
- the premium is not paid in accordance with the provisions of this policy that specify whether the Policyholder, the employee, or both, pay(s) the premiums;
- the Policyholder does not promptly report to us the names of any employees who are added or deleted from the eligible group;
- Unum determines that there is a significant change, in the size, occupation or age of the eligible group as a result of a corporate transaction such as a merger, divestiture, acquisition, sale or reorganization of the Policyholder and/or its employees;
- Unum provides 45 days notice at any time after the Initial Rate Guarantee for any reason; or
- Unum is notified of a change in Federal or State Law materially affecting the policy.

If Unum cancels or modifies this policy, for any of the reasons listed above, a written notice will be delivered to the Policyholder at least 45 days prior to the cancellation date or modification date. The Policyholder may cancel this policy if the modifications are unacceptable.

If any premium is not paid during the 31 day grace period, this policy will cancel automatically at the end of the grace period. The Policyholder is liable for premium for coverage during the grace period. The Policyholder must pay us all premiums due for the full period this policy is in force. In the event of termination, this policy may be reinstated only as agreed upon by Unum and the Policyholder. If Unum agrees to reinstate this policy, such reinstatement will not constitute waiver of the termination provision in the future.

The Policyholder may cancel this policy by written notice delivered to Unum at least 31 days prior to the cancellation date. When both the Policyholder and Unum agree, this policy can be cancelled on an earlier date. If Unum or the Policyholder cancels this policy, coverage will end at 12:00 midnight on the last day of coverage.

If this policy is cancelled, the cancellation will not affect a payable claim.

You must apply for coverage under this portability provision and pay the first premium within 31 days after the date your employment ends, you are no longer in an eligible group or the date the policy is terminated by the Policyholder and is not being replaced.

Except as provided in this section, your continuing coverage will be the same coverage provided you under the policy as of the date your employment ends, the policy is terminated by the Policyholder and is not replaced, or you are no longer in an eligible group. Any subsequent change to the policy will not apply to your continuing coverage.

Your continuing coverage is subject to all of the provisions, exclusions and limitations of the policy, except that:

- premiums will be billed directly to you;
- initial premium rates will be based on the portability rates in effect at the time you apply to continue your coverage; and
- premium rates can be changed by Unum at any time upon 45 days notice to you so long as the change is not due to any change in your age or health or the age or health of your spouse or your dependent child(ren).

If you die or divorce your spouse, your spouse may have the right to apply to continue coverage under the policy.

Your spouse must apply for coverage under this portability provision and pay the first premium within 31 days after the date of your death or divorce.

Your spouse is not eligible to apply to continue coverage under this provision if your spouse was not insured under this policy on the date of your death or divorce.

Except as provided in this section, your spouse's continuing coverage will most nearly match the coverage provided to your spouse under the policy as of the date of your death or divorce.

If you die or divorce your spouse, your spouse may also apply to continue the same coverage for dependent child(ren), provided:

- the dependent children are insured under the policy at the time of your death, or divorce; and
- you are not continuing coverage for dependent child(ren).

Your spouse's continuing coverage is subject to all of the provisions, exclusions and limitations of the policy, except that:

- premiums will be billed directly to your spouse;
- initial premium rates will be based on the portability rates in effect at the time your spouse applies to continue coverage; and
- premium rates can be changed by Unum at any time upon 45 days notice to your spouse.

If this policy provides benefits under a Plan which is subject to the Employee Retirement Income Security Act of 1974 (ERISA), the following provisions apply. Whether a Plan is governed by ERISA is determined by a court, however, your employer may have information related to ERISA applicability. If ERISA applies, the following items constitute the Plan: the additional information contained in this document, the policy, including your certificate of coverage, and any additional summary plan description information provided by the Plan Administrator. Benefit determinations are controlled exclusively by the policy, your certificate of coverage, and the information in this document.

HOW TO FILE A CLAIM

If you wish to file a claim for benefits, you should follow the claim procedures described in your insurance certificate. To complete your claim filing, Unum must receive the claim information it requests from you (or your authorized representative) and your attending physician. If you or your authorized representative has any questions about what to do, you or your authorized representative should contact Unum directly.

CLAIMS PROCEDURES

In the event that your claim is denied, either in full or in part, Unum will notify you in writing within 90 days after your claim was filed. Under special circumstances, Unum is allowed an additional period of not more than 90 days (180 days in total) within which to notify you of its decision. If such an extension is required, you will receive a written notice from Unum indicating the reason for the delay and the date you may expect a final decision. Unum's notice of denial shall include:

- the specific reason or reasons for denial with reference to those Plan provisions on which the denial is based;
- a description of any additional material or information necessary to complete the claim and why that material or information is necessary; and
- a description of the Plan's procedures and applicable time limits for appealing the determination, including a statement of your right to bring a lawsuit under Section 502(a) of ERISA following an adverse determination from Unum on appeal.

Notice of the determination may be provided in written or electronic form. Electronic notices will be provided in a form that complies with any applicable legal requirements.

APPEAL PROCEDURES

If you or your authorized representative appeal a denied claim, it must be submitted within 90 days after you receive Unum's notice of denial. You have the right to:

- submit a request for review, in writing, to Unum;

- upon request and free of charge, reasonable access to and copies of, all relevant documents as defined by applicable U.S. Department of Labor regulations; and
- submit written comments, documents, records and other information relating to the claim to Unum.

Unum will make a full and fair review of the claim and all new information submitted whether or not presented or available at the initial determination, and may require additional documents as it deems necessary or desirable in making such a review. A final decision on the review shall be made not later than 60 days following receipt of the written request for review. If special circumstances require an extension of time for processing, you will be notified of the reasons for the extension and the date by which the Plan expects to make a decision. If an extension is required due to your failure to submit the information necessary to decide the claim, the notice of extension will specifically describe the necessary information and the date by which you need to provide it to us. The 60-day extension of the appeal review period will begin after you have provided that information.

The final decision on review shall be furnished in writing and shall include the reasons for the decision with reference, again, to those policy provisions upon which the final decision is based. It will also include a statement describing your access to documents and describing your right to bring a lawsuit under Section 502(a) of ERISA if you disagree with the determination.

Notices of the determination may be provided in written or electronic form. Electronic notices will be provided in a form that complies with any applicable legal requirements.

Unless there are special circumstances, this administrative appeal process must be completed before you begin any legal action regarding your claim.

**LIMITATIONS AND EXCLUSIONS UNDER THE
ARKANSAS LIFE AND HEALTH INSURANCE
GUARANTY ASSOCIATION ACT**

Residents of this state who purchase life insurance, annuities or health and accident insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Arkansas Life and Health Insurance Guaranty Association ("Guaranty Association"). The purpose of the Guaranty Association is to assure that policy and contract owners will be protected, within certain limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the claims of policy owners who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by the member insurers through the Guaranty Association is not unlimited, however. And, as noted in bold below, this protection is not a substitute for consumers' care in selecting insurance companies that are well managed and financially stable.

DISCLAIMER

The Arkansas Life and Health Insurance Guaranty Association ("Guaranty Association") may not provide coverage for this policy, if coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in this state. You should not rely on coverage by the Guaranty Association in purchasing an insurance policy or contract.

Coverage is NOT provided for your policy or contract or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as non-guaranteed amounts held in a separate account under a variable life or variable annuity contract.

Insurance companies or their agents are required by law to provide you with this notice. However, insurance companies and their agents are prohibited by law from using the existence of the Guaranty Association to induce you to purchase any kind of insurance policy.

The state law that provides for this safety-net is called the Arkansas Life and Health Insurance Guaranty Association Act ("Act"). On the back of this page is a brief summary of the Act's coverages, exclusions and limits. This summary does not cover

all provisions of the Act; nor does it in any way change anyone's rights or obligations under the Act or the rights or obligations of the Guaranty Association.

COVERAGE

Generally, individuals will be protected by the Guaranty Association if they live in this state and hold a life, annuity or health insurance contract or policy, or if they are insured under a group insurance contract issued by a member insurer. The beneficiaries, payees or assignees of policy or contract owners are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons owning such policies are NOT protected by the Guaranty Association if:

- They are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- The insurer was not authorized to do business in this state;
- Their policy or contract was issued by a nonprofit hospital or medical service organization, an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policy or contract owner is subject to future assessments, or by an insurance exchange.

The Guaranty Association also does NOT provide coverage for:

- Any policy or contract or portion thereof which is not guaranteed by the insurer or for which the owner has assumed the risk, such as non-guaranteed amounts held in a separate account under a variable life or variable annuity contract;
- Any policy of reinsurance (unless an assumption certificate was issued);
- Interest rate yields that exceed an average rate;
- Dividends and voting rights and experience rating credits;
- Credits given in connection with the administration of a policy by a group contract holder;
- Employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
- Unallocated annuity contracts (which give rights to group contract holders, not individuals);
- Unallocated annuity contracts issued to/in connection with benefit plans protected under Federal Pension Benefit Corporation ("FPBC") (whether the FPBC is yet liable or not);
- Portions of an unallocated annuity contract not owned by a benefit plan or a government lottery (unless the owner is a resident) or issued to a collective investment trust or similar pooled fund offered by a bank or other financial institution);
- Portions of a policy or contract to the extent assessments required by law for the Guaranty Association are preempted by State or Federal law;
- Obligations that do not arise under the policy or contract, including claims based on marketing materials or side letters, riders, or other documents which do not meet filing requirements, or claims for policy misrepresentations, or extra-contractual or penalty claims;
- Contractual agreements establishing the member insurer's obligations to provide book value accounting guarantees for defined contribution benefit plan participants (by reference to a portfolio of assets owned by a nonaffiliate benefit plan or its trustees).

LIMITS ON AMOUNT OF COVERAGE

The Act also limits the amount the Guaranty Association is obligated to cover: The Guaranty Association cannot pay more than what the insurance company would owe under a policy or contract. Also, for any one insured life, the Guaranty Association will pay a maximum of \$300,000 in life and annuity benefits and \$500,000 in health insurance benefits -- no matter how many policies and contracts there were with the same company, even if they provided different types of coverages. Within these overall limits, the Association will not pay more than \$300,000 in disability and long term care benefits, \$500,000 in health insurance benefits, \$300,000 in present value of annuity benefits, or \$300,000 in life insurance death benefits or net cash surrender values - again, no matter how many policies and contracts there were with the same company, and no matter how many different types of coverages. There is a \$1,000,000 limit with respect to any contract holder for unallocated annuity benefits, irrespective of the number of contracts held by the contract holder. These are limitations for which the Guaranty Association is obligated before taking into account either its subrogation and assignment rights or the extent to which those benefits could be provided out of the assets of the impaired or insolvent insurer.
